

Give The Stomach A Chance To Work

We can't expect the stomach to act normally if the natural avenues of elimination are blocked so it cannot dispose of its refuse. The bowels are congested, the stomach is called upon for work beyond its capacity and the result is bloating, belching, headache, and discomfort generally, and, unless the condition is promptly relieved, serious illness.

An effective remedy for constipation is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. It is a combination of simple laxative herbs with pepsin that acts on the bowels in a gentle, natural manner, without griping or other pain or discomfort, affording speedy relief. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and have it in the house when you need it; it costs only fifty cents and is the ideal family remedy, mild enough for children and old people, yet sufficiently powerful for the strongest constitution. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 458 Washington St., Monticello, Illinois.

CAN'T DO THE WORK

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Mrs. N. M. Nelson, 20 Merchant street, Barre, says: "A severe attack of the grip left my kidneys in a weakened condition. The slightest housework tired me, and after I was on my feet for hours, sharp pains across my back compelled me to stop and rest. Other complications came on and I had trouble with my kidneys. I paid out over one hundred dollars for doctors' bills and other medicines but got no relief. I became discouraged until someone advised me to try Doan's Kidney Pills. They stopped the trouble in a short time and rid me of the dangerous attack." (Statement given November 10, 1905.)

OVER SIX YEARS LATER, Mrs. Nelson said: "I still use Doan's Kidney Pills now and then find them as excellent as when I first recommended them."
